The Genuine. The Original.

Did I Leave the Garage Door Open?

The OHD Anywhere® App alerts you if you've left the door open, and lets you close it from your smart phone. Check the status of the door at any time and let friends and family in when you're gone. The opener is equipped with battery backup so in the case of a power outage, the garage door still operates and your car won't be trapped.

\$50 OFF Installed Wi-Fi Enabled
Garage Door Opener

The Genuine. The Original.
